

bunny plaque

Great for kids' rooms and/or Easter

*A Monster Mosaics .com
Exclusive Mosaic Project*

Add some fun to the kids' room with this jovial bunny plaque. It also makes a wonderful Easter piece. We used Nibbles & Bits™ for the bunny and our new Iridium™ Glass Mosaic Tiles for the background. The project was very simple and took less than two hours to complete including grouting. Use the included outline to create your bunny outline. Carbon paper can be used. Now hop along and start creating!

Ingredients:

One 9" Square Plaque

Purple Nibbles & Bits™

Yellow Nibbles & Bits™

Pink or White Nibbles & Bits™

Breeze Iridium™ Glass Tiles

Can substitute Light Blue N&B™

Wheeled Tile Nippers (optional)

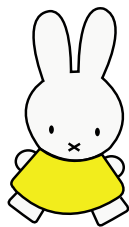

Weldbond® Adhesive

White Grout
